# FLOW

WHITE 2021

## TESTING NOTE

Bright, pale yellow straw with golden highlights, white gold. Aromas of white flowers, like orange and yellow, like mimosa. Melon, pineapple, pomegranate and white peach. A touch lactic and almond. With a straight and fresh, dry mouth, develops volume and taste for a long and saline finish. An elegant and balanced wine, fine on the nose and "appealing" to the palate.

## ELABORATION

Hand-picked in boxes 10k. Carignan red grapes pressed the same day of harvest. Fermented with own yeast at a low temperature. Malolactic fermentation completed. Aged 6 months in stainless steel tanks with its fine lees and soft batonnages. No filtration.

CARIGNAN 100%
